

## ***It takes two, V-500 and YOU!***

Through V-500, you can sponsor a non-renewable student scholarship at VCSU. Scholarships are awarded to students for academic achievement in the amounts of \$1,500 or \$2,500. You can pledge to donate \$1,500, \$2,500, or \$5,000 over four years. By becoming a sponsor, you are given the student's name, hometown, and major field of study. Your recipient is given your name and will have the opportunity to thank you in person. Current sponsors have enjoyed the opportunity to meet the students receiving their scholarship making this program a great way to **"Make a Difference"** in the life of our students!

**"The V-500 scholarship will help me make it to the next step in life, and that is to get a real job where I can spread my love of music for generations to come."**

***Make a difference in the life of a VCSU student.***

# V-500 - Every dollar counts!

After becoming a V-500 board member, I was so inspired to see the amount of support our donors show our students. Whether it's a large gift or a small one, each dollar helps students find their reason to want to make a difference. When students receive a scholarship, they are able to keep their focus on their education without having to worry as much about finances.

By becoming a member of V-500, you can help a student attend VCSU. Contact the VCSU Foundation Office today at 701-845-7203 or contact one of our V-500 board members to see just how easy it is. You can **"Make a Difference"** in the life of our students.

*"The transition from high school to college is a stressful time for students and part of the stress is financially figuring out how you are going to pay for everything. The V-500 Scholarship provided me scholarship dollars to make my college experience more affordable and allows me to enter my freshmen year on solid footing and ready to start working on my degree."*
