

# Greetings from the Athletic Department at Valley City State University!

It is a great day to be a Viking! We are looking forward to another exciting year of Viking Athletics. I invite you to join me in supporting all of our talented student-athletes by joining the Viking Century Club. With your help and partnership, financial contributions to the Century Club will serve to assist

our student-athletes with scholarships as they pursue excellence on the fields, courts and track. However, most importantly you will play a major role in helping our student-athletes succeed in the classroom and the community. Our coaches, staff and student athletes are all working very hard in preparation for the upcoming season. Thank you for being a member of the Viking team and for your investment in the lives of our student-athletes. I invite you to read our brochure and discover the importance of how

your contributions are working at VCSU. Valley City State University and its student-athletes enrich our community. I encourage you to come out and experience one of our many sporting events throughout the year. GO VIKINGS!

## TAKE THE 10 PERCENT CHALLENGE!

New this year, Viking Athletics is challenging Century Club members to become "pacesetters" by increasing their annual donation. Simply increase your donation from last year by 10 percent (\$220 instead of \$200, \$1,100 instead of \$1,000, etc.) to be recognized as a Viking Pacesetter and further help Viking Athletics.

With the rising cost of tuition it is crucial for VCSU to raise more scholarship dollars to stay competitive at the conference and national level.
