Welcome to the 24th annual VCSU Scholarship Auction and thank you for joining us in an event that combines a great social atmosphere with the excitement of live and silent auctions. Thank you for being a Viking supporter in buying tickets, donating items and bidding at the auction. Your participation is helping VCSU generate scholarships that are essential for recruiting and retaining students.

Here are a few tips! The auction committee along with the V-500 and Booster boards have been working hard to gather a great assortment of items up for bid tonight on both the live and silent auction. We hope you will notice many details in tonight's event that incorporate our theme and we hope you all enjoy your evening out.

If you're placing a bid on a silent auction item remember to check back on your bids often. Don't let someone outbid you!

If you must leave before the auction is over please call the Foundation Office at 701-845-7403 to tie up loose ends on Monday morning.

Our goal this year is to generate \$80,000; help us reach this goal!

Thank you for coming out tonight to support Valley City State University. Proceeds from this auction are split between V-500 and the Century Club scholarships, **so have fun, bid high, and then bid a little bit higher!**

Our revolutionary Smart Drive system, with its advanced technology and awesome new features, revs up this vehicle's performance. The Touch Screen Display on the dash provides alerts on dynamic traction control and advanced stability control, all part of the Smart Drive system that helps kids power through even the toughest terrain. And then there's our Smooth Start Technology that makes acceleration at low speeds a whole lot smoother when kids first start off on their driving adventures! You'll love the safety features we've added, too including 5 parent-controlled speed settings! Using the convenient Touch Screen Display, you can set the speed so beginning drivers start off in low speeds until they feel comfortable moving up to more.
