MAKING AN IMPACT

“Our hope is that by donating and providing scholarship opportunities through the Century Club, we are helping VCSU attract high-quality student-athletes. Athletics provides many great life lessons and having exceptional student-athletes as role models for our young daughters is important to us.”

“My favorite memories from my four years at VCSU come from nights in The Bubble beating the Jimmies and days on the softball field taking on the Comets. Being a small campus meant the stands were full of close friends, classmates and fellow athletes that you saw and talked to every day. This always created an exciting environment to play in. Being a Viking not only taught me the hard work and dedication to succeed long after the games ended, but also provided me with lifelong friendships that I will forever cherish.”

- Brittany (Lehner) Evans ‘14, VCSU Basketball/Softball

Josh & Brittany Evans

“Baseball is what initially drew me to visiting VCSU, but it was the small town feel that ultimately made my college decision an easy one. I enjoyed that I knew the majority of students on campus and was greeted by so many smiles in the halls. My professors prioritized the success of their students and were always willing to put in additional time outside of class. Many of my favorite memories and relationships were created because of my experiences on the baseball team. I am forever grateful that VCSU gave me the opportunity to fulfill my dream of playing college baseball.”

- Josh Evans ‘12, VCSU Baseball

BUILDING CHAMPIONS

Join our team and ELEVATE VCSU athletics!

Valley City State University is committed to creating an environment that encourages our student-athletes to raise the bar higher. Our athletic mission to ENGAGE, EDUCATE, and ELEVATE centers around providing a wonderful experience for the student-athletes and making sure they reach their full potential, both on the field of competition and in the classroom.

The VCSU Century Club continues to be a VITAL link to the success of Viking Athletics! Every dollar donated to the VCSU Century Club goes to the education of deserving student-athletes through scholarships.

Your gifts help us recruit quality student-athletes and compete for North Star championships and national recognition, instilling community pride and building the public profile of the university. The impact of your giving cannot be overstated.

When you help us recruit student-athletes, you also help those same student-athletes experience a high-quality college education on a campus that cares deeply about them. The VCSU experience is truly unique. We are ONE TEAM and ONE FAMILY!
