2019-20 V-500 Membership Application

**Ian Campbell
Stayton, Ore.**

“The V-500 scholarship is helping achieve my dreams of teaching and spreading my knowledge to future generations of students who pass through my class room. I thank you for giving me this opportunity to be successful and continue my education so that I can educate others.”

It takes two, V-500 and YOU!

V-500 Scholarships are awarded to freshmen for achievement of merit. These one-time scholarships are awarded in the amounts of \$1,500 or \$3,000. The annual recognition banquet held in December is an opportunity for you to meet V-500 recipients. Students enjoy meeting you to thank you personally for your generous support.

Your support helps these students achieve their dreams of successful careers after graduation! You “**Make a Difference**” in the lives of our students!

No one is useless in this world who lightens the burdens of another.

V-500 – Every dollar counts!

After becoming a V-500 board member, I was so inspired to see the amount of support our donors show our students. Whether it’s a large gift or a small one, each dollar helps students find their reason to want to make a difference. When students receive a scholarship, they are able to keep their focus on their education without having to worry as much about finances.

By becoming a member of V-500, you can help a student attend VCSU. Contact the VCSU Foundation Office today at 701-845-7203 or contact one of our V-500 Board members to see just how easy it is. You can “**Make a Difference**” in the life of our students.

“I decided to attend VCSU because of the V-500 scholarship and both my parents graduated from VCSU. Many of my other family members graduated from VCSU, too. This scholarship helps me to continue my education here at VCSU. Thank you so much for this scholarship!”

Luke Trapp
Valley City, N.D.

“Receiving a V-500 scholarship was very instrumental in my decision to attend VCSU. The scholarship allowed me to keep my college expenses down throughout my time in school and successfully transition to my career after graduation.”
