BUILDING CHAMPIONS

Join our team and ELEVATE VCSU athletics!

Valley City State University is committed to creating an environment that encourages our student-athletes to raise the bar higher. Our athletic mission to ENGAGE, EDUCATE, and ELEVATE centers around providing a wonderful experience for the student-athletes and making sure they reach their full potential, both on the field of competition and in the classroom.

The VCSU Century Club continues to be a VITAL link to the success of Viking Athletics! Every dollar donated to the VCSU Century Club goes to the education of deserving student-athletes through scholarships. Your gifts help us recruit quality student-athletes and compete for North Star championships and national recognition, instilling community pride and building the public profile of the university. The impact of your giving cannot be overstated.

When you help us recruit student-athletes, you also help those same students experience a high-quality education on a campus that cares deeply about them. The VCSU experience is truly unique. We are ONE TEAM and ONE FAMILY!

MAKING AN IMPACT

"VCSU has been a big part of our family ever since Chris and I both attended college here and I was a member of the women's basketball team. The basketball program and other athletic teams have always been close to our hearts and will continue to be for years to come. We will forever be grateful to the VCSU community. Here, the drive and determination for success is second to none. The experiences and memories it has given our entire family will last a lifetime."
