Help us ENGAGE, EDUCATE and ELEVATE students at VCSU

Valley City State University is committed to creating an environment that encourages our student-athletes to raise the bar higher. Our mission to ENGAGE, EDUCATE, and ELEVATE centers around providing a wonderful experience for the student-athletes and making sure they reach their full potential, both on the field of competition and in the classroom.

The VCSU Century Club continues to be a VITAL link to the success of Viking Athletics! Your membership helps inspire our student-athletes to strive for excellence and prepares them for success beyond VCSU. Your investment in the development of young leaders who learn valuable life lessons while representing VCSU is truly immeasurable.

Every dollar donated to the VCSU Century Club goes to investing in the education of deserving student-athletes through scholarship. Your gifts help us recruit quality student-athletes and compete for North Star championships and national recognition, instilling community pride and building the public profile of the university. The impact of your giving cannot be overstated!
