## 2020-21 V-500 Membership Application

### It takes two, V-500 and YOU!

V-500 Scholarships are awarded to freshmen for achievement of merit. These one-time scholarships are awarded in the amounts of \$1,500 or \$3,000. The annual recognition banquet held in December is an opportunity for you to meet V-500 recipients. Students enjoy meeting you to thank you personally for your generous support.

Your support helps these students achieve their dreams of successful careers after graduation! You **“Make a Difference”** in the lives of our students!

“Going to college can be expensive, however receiving my V-500 scholarship from Valley City State University helped lighten my financial burden and made attending VCSU possible.”

### V-500 – Every dollar counts!

I am so proud to witness what the V-500 scholarship does for our students to provide financial support to make college possible. Many families are limited in the support they can provide their family member and with this scholarship, it makes pursuing their education a reality.

I love to be able to share that with families and that we have such a committed community, university and Foundation Office that believes in rewarding students for their success. The increased number of renewable scholarships have impacted our retention and growth immensely. Thank you, V-500 members, for growing VCSU.

You can **“Make a Difference”** in the life of our students.
